Parents, our goal is to provide a safe environment for learning and fun while building self-esteem and confidence. Several times during the year, we set aside a few minutes to remind them of the rules of the gym. Children are the world's greatest asset. Therefore, we ask your help in keeping them safe. By parents helping reinforce our "gym rules" we can work together to make the sport of gymnastics as safe as possible.

Listed below are some "key" rules in which parents should talk to their children about before coming to class:

- 1. Absolutely no horseplay during class.***
- 2. The importance of staying with their group and listening to their instructor.***
- 3. All students must stay off the equipment unless a coach is with him/her.***
